“ *Your family has been in my thoughts and prayers for the last few days and will continue to be in the coming days. I knew Rhonda while I worked at UAB. She was a loving, caring person and always had an upbeat attitude. She and Teri made a great pair of pranksters. I am sure Teri will miss her terribly. Again your family, Rhonda's friends and coworkers will remain in my prayers.*

I wish there was something I could do to make you feel better but I know you have to grieve in your own way. I pray Our Lord and Savior Jesus Christ will wrap his arms around you and your family during this time and provide you the comfort that we can not. Wishing you love and comfort and above all, peace. “ *Ralph, Christie and Kevin, I know your hearts are breaking right now, I wish I had some magic words to say to make everything all better, but I don't. I will miss my little sister, it is not right that she has gone before me. They say time heals all wounds, and it may, but the scars will still be there. And even the scars may fade in time, but we will always know where they are. Please know my prayers are with you. Janice*

“ I knew Rhonda for many years at CCN. She was the kind of person that you just wanted to be around all day long. She loved the babies and she loved her family. I am so sorry for the pain your family is going through. I loved Rhonda, she was my good friend. May God bless you in this time of sadness.

“ I worked with Rhonda in CCN for the past 9 years. She took me under her wing when I was a new nurse and we have been good friends since. She was a great nurse, friend, and co-worker. She could always lighten the mood in any situation. I am glad that I got to work with Rhonda on Wednesday and little did I know that it would be the last time. Rhonda will be greatly missed and CCN will never be the same without her. I am sorry for your loss and know that Rhonda was loved by so many. My prayers and thoughts are with you!
