“ *I will deeply miss Richard. I only knew him for a few years as a member of the Shriners. During those years he was a good friend and supporter of the Shrine and its charities as well as Zamora Shrine Center. His sincerity and friendliness reached many of us and will be deeply missed by all. His example is one that every one of us should try to match.*

“ There is not enough space nor words that can explain or describe this man. His positivity, his abundance of energy and unselfish manner will be missed by more than he probably even knew. The countless acts of charity that were never spoken about. The abundance of love he showed everyone he came in contact with. The smiles he would put on your face just at the time you needed it. The advice, support and encouragement he would bring upon you will never be matched. The friendship between each one of us was as sincere and strong as it could possibly be. The meaning of brotherhood to his masonic brothers and fellow Shriners was truly shown and portrayed by him in every way imaginable. His undeniable love for his wife and Daughters were without a doubt evident and deep. You will be missed daily and in every turn, I am certain you will continue bringing every wonderful aspect of you above to every soul that has crossed your path for as long as we are all on this earth, that we can be certain of.

To our sweet friend Diane and daughters, you are in everyone's thoughts and prayers in these coming days, weeks, months and on. Find your strength from his and find your peace above.
