“ *Condolences to Joann and the Ford family. Larry was a sweet example of what a husband, Dad, and serviceman should be. I am so sorry to just now be learning his passing. This is a great loss for his family, and for the world around us. Live, Wendy Cicio*

“ *JoAnn - after working with Larry for most of my many years with Gulf States, the stories are too numerous to count, but know that I will never forget all the cruising and marking and planning and fire calls. On a more personal note, his obvious love for God, you, and your children has been an inspiration to me as I have navigated marriage and child-rearing. Rest assured Larry will live in more memories than just yours. He was a unique man.

*I talked with Larry several months ago and hopes for beating this illness and love for the Lord was something we discussed at length. I know he is healed now and sending words of encouragement and sympathy to the entire family. (Mike Baker-Class of 1970)*

*I guess I have known Larry all of my life as my Aunt Gwens little brother and Marcias twin. He has always been a very nice person. You know when you are a child you just don't pay attention to much of that stuff. Now that I am an adult I know that he loved the Lord!!! He also would help anyone if he could! We can all rest easy In knowing he is no longer suffering now and is probably walking in the forest with Jesus and his Mama and Daddy. Prayers to the Family. Lynn Rinehart*
