“ *Robert was my brother in law for 17 years, even though I was no longer a Perkins, I claimed him for my brother-in-law, I have known him for 49 years, he has been a ray of sunshine to know him, he is a true friend and he will always have a place in my heart, I will miss him so much but Heaven is where he set out to be from the first day I met him. Now, he is home, I can just see Pearl his mama welcoming him home. He's home, and he will be looking down on us from up high until it is our time to pass through these portals! I love you Robert! Praying for the rest that is left to live without him.*

“ *We will be forever grateful for the time we shared. For the lessons taught, your guidance, patience and understanding. Most of all we are so thankful and will be forever blessed that God chose you to our Granddaddy. With a heavy heart we want to ask you for just one more favor. Would you please look down on us? We know you're in a better place. But it is going to be difficult on us left down here especially without you.*
