“Where do I begin... 27 years of memories, but I think one of my favorites is the strawberry patch, along with the golf cart ridings we used to do at the lake where him and memal camped in Shelby. I was truly blessed to have such an amazing grandfather like him. I'm thankful that I got to spend the 27 years I did with him, and he got to spend a year with my son. I'll never forget anything he has taught me along the way. I love and miss you so much pawpaw.

We are so sorry to learn about Ott's passing. Harry worked with him at K C & we often were at the campground at the same time. Thinking of Frances & all the family.

Sincerely, Harry & Joan Hughes
