“ It is with sadness and regret that I acknowledge the death of my friend and business associate Rodney E. Davis. Rodney planned and built the Windstone and other subdivisions in Chelsea, Alabama. I knew him as a man of integrity, diligence, reliability, and humor. As the managing partner of our organization he had little time for naysayers and chronic complainers but rose to the occasion to skilfully address the myriad problems which occur in any new subdivision. I trusted his sixth sense of making the right decision in financial matters and subdivision planning. He will be sorely missed.
