“ *My condolences to the family and friends of Roger Ray. Sadly for me, I only encountered his ministry a week ago. I am glad to have done so, His spirituality, humanity and warmth remind me that ministers can be real people. I hope in whatever time I have left I may be able to learn from him and in some small way, extend his ministry into my area of influence in Australia. May deep peace and the blessings of our God continue with you as you go on.*
