“ This is Jeff just sitting here thinking about all the camping and fishing trips dad took us on. Also the last time he came to the house and we went fishing in the pond dad swearing they was not no fish in the pond even though they was eating the bread off the top of the water. I will miss him dearly,just glad we moved back to Alabama recently and I was able to spend more time with him lately. I guess God had a good reason for us to have to move back home so glad he did now. Also want to tell my mom that I love her more than she will ever know.
