“ *My precious Sis Sandra, you are missed so much. You were the best mentor, pastor, and friend anyone could have. Me and my family was so blessed to have been a part of Living Waters Ministries. Love you always and see you over there.*

“ *We remember as if it were yesterday, one of our visits to your home. We had shared the goodness of the Lord and were getting ready to leave, when we formed a circle to pray. The four of us were holding hands and your little dog came an sat right in the middle of the circle and did not leave until we had finished praying. To this day we believe that dog was annointed. Love you, Bob/Barb Bone*
