“ I was so sad and shocked to hear of Sandra's passing. I had seen her at the Wal-Mart in Chelsea a month or so before Christmas. We stopped and talked for several minutes. My thoughts, prayers and love to Sammie and all her family and friends. Although we were not best friends and in contact with one another, she was always gracious and kind to me the times I did meet and spend time with her. I know she will be missed and wanted the family to know how sad I was to hear of her death.
