“ This song always reminded me of my mother. Love you Mama.

*Sowin' Love*

...

*And how I use to love and sit and watch my momma  
Workin' with her needle and her thread  
So patiently she'd listen to our problems  
And we knew she heard every word we said  
She'd say "children this old world is full of scratches  
And in your life you're bound to have a few"  
I guess that's why the good Lord gave us patches  
So we could start each day out feelin' new*

*Chorus:*

*Yes she was sowin' love for the family  
She was sowin' love, she took a little extra time  
Lookin' forward to a bountiful harvest  
Like a good momma does she was sowin' love*

...
