“ *Such a fun loving happy soul. I will always remember his infectious laugh, even when I would give him a reminder that if he'd place his trumpet to his mouth and and return to his position, he'd get a lot more accomplished!! Then the giggle and "yes mam" would follow. Such a sad loss. Mr Donald Armstrong was such a fan of his terrific sons! God bless!*

“ *Don, I am so sorry to learn that Shane passed away. From reading all the tributes I can see that he was an amazing, loving young man. I know you are proud of him. Sometime life comes at us hard, and you have certainly experienced this as of late. We don't understand why things happen as they do nor do we understand God's timing, we just have to Trust His wisdom as we travel this road of life. My prayers are with you, praying that God will carry you close to Him now and the days to come. One day we will join our loved ones in a Place where we will never have to say goodbye again! God bless you.*

“ Mr. Armstrong,

I am so sorry for your loss. Praying for you!

Shane was a caring individual. When he found out my dog was sick, he told me I needed to see what all I could do for her. He even called his veterinary office and got an appointment for her. The next time I saw him he asked about her and how she was doing. He will be greatly missed.

“ Shane was always such a light to anyone he came in contact with. I am so thankful that I got to spend a little time with him while he was here. He made everyone smile and be happier just from him being there and caring. My heart breaks for the family, friends and patients that love Shane. May we all love a little stronger today knowing that our time is limited. God bless you Shane, fly high!
