“ *Shannon, I did not know you but knew your mother. I just sent you some old high school pics of her today in FB in a PM. I went on your page to tell you I had sent these pics and was just devastated to see the posts of your passing. Your mom was a great friend to me in high school and I am so sad to see your family has lost you as well at such an early age. My condolences go out to your children, Uncle and grandmother (all of your family).*

Tell your mom and dad hello for me in heaven.

“ *Our girl...now in the presence of JESUS! JESUS who died for our sins, on purpose, to give us a choice of heaven or hell. Shannon chose JESUS when she was 8, giving her heart & life to Him. She is FREE now! Do more human pain or struggles. She will be a part of us forever!*

“ Our prayers are with Mr & Mrs Morrison, Caleb and the boys as well as Shannon's brothers and sister. There are no words that can take away the pain and shock of losing such a sweet soul way too soon. We pray you can find comfort in knowing that she was saved by the grace of God and is now without a doubt home with her parents, in the Kingdom of heaven. Heaven gained a Angel last night, as she will remain a Mother watching over her sons! May she live in your hearts til you see her again! Got bless you all!!
