“ I am so sorry to have read about this in the reporter. I had no idea until today. 10/02/10. I am so very sorry to hear of your loss. Sharon was a great friend. I loved coming down to your house and playing basketball with her and Danny. It was some of my fondest childhood memories. Again, I am truly sorry.

“ My dear dear friend, you are like a sister to me and you will be missed by me and many others. I'd like to remember you the way we used to be. You were head strong, you knew what you wanted and many times you got what you wanted. I will miss you and forever will be in my heart. I just wish I could have been there to be with you when you passed, it might have made this awhole lot easier. I know now that you may be happy and you are with Fred and your mama, which makes me feel better. So on with the journey Silver Streak, you are well on your way. Just don't forget to look out for me when things get rough. I will always remember the good times we had and the times where we agreed to disagree, which were very few. I love you sis and always will.
