Girls and Lane. I didn't look here until probably 3 months after GP left. So I'm hoping you do a little sooner but, only when you are ready. Just know that your mother_wife was dearly loved!! She was a bright light to anyone who met her. She loved...truly imparted love to everyone she came in contact with. Carry that with you through the rest of your life and BE that BEAUTIFUL part of her. That is a legacy that is worthy of carrying on. Loving!! Others!! Showing you accept them and care!! With God's love!! She showed it to everyone she met. Love you!! ❤️ 🙏 my heart is with you. 💔
