“ Wanda & Family, Me and Michael are so sorry for your loss. You will probably never know how many lives your Mother has touched and helped. My Mother was one of these people. Your Mother bent over backwards to help her when my Mother needed it and she has never forgotten it. I am so glad we ate together out at PaPaws a couple of weeks before the accident. We so enjoyed it. Wanda, know that you now have a special angel watching over you and we will pray for all of you. If you need us, please don't hesitate to call. Love you much!!!!!!!!!!!!
