“ *Mr. and Mrs. Lyons, my heart grieves for you and Cody. My mind has been flooded of sweet childhood memories at your house with all those hound dogs. To this day I always think of Stephanie when I see a hound dog...and I forever will. I was horrified when I found out about her death and even more grieved that I couldn't be there to say goodbye. I found out hours before the service. Thank you for raising such an amazing woman and thank you for the happy times we had together as kids. Ginger*
