“ Susan and I worked on many South Shelby Chamber of Commerce projects together and she was a joy. Over the years we became friends, she was a special lady, a really good cook and will be greatly missed. Bill, no words can express how saddened I am by your loss. “ Every Sunday I would always sat behind Susan in Church. She had the most lovely blue eyes and a smile for everyone. She will be missed by all. Rest in peace, sweet Susan.

“ Susan was a wonderful cook. She was active in her church, Good Hope Methodist. She didn't have children of her own, but her dogs and cats were treated like they were her children. Her world revolved around her husband, Bill. I know for a fact she will be missed by her sister, Gurlie, her brothers, nieces and nephews, and by more friends than she realized she had. I miss her already and can't believe she's gone. I love you Susan, and hope you have eternal peace. Cindy

“ I remember eating at Susan and Bills house back many years ago when Bill rode with me as he was a great reserve deputy , Susan had made fresh bread and had toasted it with butter and I thought it was wonderful. Also she and Bill made me feel so at home , sharing their home and fine food with me and I thank God for her hospitality with me and everyone she met, I will miss her so. Love you Bubba Caudill

Bill will sorely miss Susan as she was the focus of his life. He will lavish attention on their animals in her memory. He must now learn to treasure her memory and remember their good times. Ray and Linda Cantrell
