“T” it’s hard to believe it’s been 12 years. I still think of you often. Your were such a bright light. I miss all the times we sat at your kitchen table talking and laughing for hours. You will forever be remembered in my heart and memories.

“ Teresa came into our lives about (7)months ago. She was a blessing to me & a very caring person to both myself & my daughter. She shared her love of plants with me & a wonderful friendship grew. Teresa holds a special place in God's heart: "Behold what manner of love the Father hath bestowed upon us" IJohn3:1
