“ We are very sorry to learn about the loss of Tom. My husband and Tom worked together at Jim Burke for several years. Tom was a great man, very kind.

“ Tom and I worked together for many many years. One of my fondest memories was the day a straight line wind came up unexpectedly and we where were trapped in a trailer at Jim Burke Buick and was unable to get out, we both looked at each other and just knew that was the end for us but we made it. We laughed about it later. Tom was always there for me during the difficulty times of the lost of my parents. Tom was a dear friend that I will dearly miss. RIP my friend.

“ Over the years Tom was a good friend to me and my late husband. After my husband passed, Tom never failed to assure me that I could call him if I ever needed anything. He was a good kind man who will be remembered fondly by those who knew him. He will be missed.
