“ My memory of Joe , big worm , as he was called . Joe came to my home to see an old friend. I said , come on in big worm, I stand 5 ' Joe towering over me ,look down on me , and said Mrs. Norma to you I'm just Joe , I reminded him , the person I met years ago was big worm , so you are big worm. We had a great laugh . I was never treated with nothing but respect by him and loved him. But what I will always remember about him , was that giant laugh of his , it was bigger than him . God bless you Big worm , rip , you will be missed by the young and old .
