“ Our deepest sympathies, TOMMY, MICHELE, NATHANIEL AND GEORGIA, the children and grandchildren..... I have so many memories of TOMMY as a child growing up..basically in the law office....when i could find him after school ended for the day. He was here....yonder....and everywhere....just your typical little boy. He was a joy and sweet child...making us all laugh when we didn't want to just pinch his little head off.....we all loved him.....great ball player.....
Our prayers are with all of you during this time. We pray for your physical healings also.
Know that you are loved and we do care about you all. With all our love and prayers...

“ *To the family. Tommy was great friend who loved his family. I will cherries forever all the great memories we had playing football baseball. I never seen anyone throw a baseball as hard as Tommy did at the age of 12. One of the best fullback every to come out of Columbiana. Just a all around great guy.*
