“ I'll never forget the good times we all had with Tommy! He was my best friend for a very long time until we moved and just kind of drifted apart. He was a really good person. My favorite memory was our trip to the Georgia Aquarium with Mrs April, my grandma , Tommy and his sister. He was a trip in school and we loved him to death. Prayers for the family. Love you all ❤️

“ I am Frances Sides known by Tommy as Nannie. He was growing up with my grandchildren, Austin and Ashton Sides and their friends, Sadie Steele and others. He was in and out of my house like the other kids and was treated the same. He was a very special young man to me. Always had a hug for me and I one for him. He was always respectful of us. When we ate, he ate too. He even went to Carbon Hill once with my husband, Wayne and Austin to a family reunion that I wasn't able to attend. A very sweet caring young man to me. I am heart broken his life was cut short. God surround his family with love and support, please. RIP Tommy, Nannie loved you.
