“ Vince and I shared the same birthday. We always joked about being twins when we were in high school together. He passed away while my husband was in the hospital. I just saw the Facebook reminder of his birthday and it reminded me instead that he had passed. My husband has also passed away since. Vince and I reconnected on Facebook a few years ago and picked up our habit of wishing each other a shared birthday wish. I will miss that in a new way now. Happy Birthday in Heaven Vince. I'll see you again one day.

“ I have fond memories of sharing my childhood with Vince. We were 1 day apart in birth and had the opportunity to spend lots of wonderful times together. Rest peacefully, Vince. You are loved.
