“ Ron and I were extremely saddened to learn of Walter's death. Even though we know Walter is now in the presence of our Lord, we join his family and friends in missing him being with us here on earth. When I think of Walter, many adjectives come to my mind: Christ-like, loving, genuine, faithful, hard-working, and kind, just to name a few. My thoughts and prayers are with Donna, their children, and grandchildren. I pray that you each have the peace that only God can give during this sad time. God Bless. Kim Foster

“ Walter was a great man. He truly loved his family like no other I have ever known. He put Christ first and then family. Donna he loved you like he loved Christ. You can know without a doubt he will be waiting for you with open arms at the pearly gate. Chris and Kay you had a Christ like father on earth. He lead by example. What a great tribute for your children to have. I want you all to know that it was my blessing to have known him and have been able to call him a friend and be able to call your family a friend. I love you all. I am here if you need anything from me. My heart breaks and yet celebrates at the same time with you. Your are in my thoughts and prayers. Love you!!
