*“ Waylon will be missed in our community and hearts. He was always so willing to help. I'll always remember him for helping me. He took time from his busy day to take Gabe to his therapy once a week so I wouldn't have to miss work! And Gabe loved his time with him. He did this for several months. I just want to let the family know how much this meant to me. Waylon was a very special person, I know you're very proud of him and will miss him so much. Sandra my heart goes out to you, such a wonderful couple so devoted to one another, God, family and community. My prayers are with you all.
