Tribute Wall

“ *My sincerest condolences to the Vansant family. I worked with Red for several years in the warehouse at the steam plant. He was so good to me and really helped me out when my wife was in the hospital. It meant the world to me.*

“ *When I was going to work each day, I would see a man walking down 61. He would throw his hand up and wave as I passed by. I looked forward to seeing him, and wondered who he was. I knew he was a very nice man. He did not have to wave, but he did. That really helped me to start my day off right. Later I found out that he was Shelia's Daddy. Just wanted to pass along my memory of him. I know you have many fond memories that will stay in your heart forever. You and your family are in my prayers.*

“ Andy and I were so blessed to have Mr. Red and Mrs. Sarah as part of our extended family. Our memories are so many that we would never be able to pick out the best -- they were all wonderful! I remember advise that he gave Lee when he was ordained - it had to do with not holding a service over long!! We know that he is in a much better place and now is free of pain. We grieve with the family over his loss but celebrate his homecoming!
