“ I’m going to miss you so much Buck, we all are. I have so many memories with you and I’ll never forget the times we all went on the pontoon boat fishing, coming over to grill out, or even us going out to eat. You were always there for us and we all loved you and loved when you were around you were always laughing and always made it a good time and I love you and I’ll miss you so much but I know your in heaven and you will always be in our hearts.

I Love you and miss you ,all of our good times ,memories and plans, will be no more till we meet again. In the arms of our Lord ,what better place to be. Fly high my love 💕💕
