“ Jay was such a special man! I remember when he came to Diane's workplace with beautiful flowers for her, and then when he sent her singing telegram. He was always so sweet and wonderful to her friends and welcomed us with love. He will be missed. Love and prayers to Diane' and her family from Sherry and Dennis.

“ In 1958 Jay called one morning to ask what I was doing and said come pick me up driving your new motorcycle, I did!! He walked down his front steps with a guitar strapped on his back and I asked what are you doing? Well Ronnie, the Everly Brothers are succeeding with their music so we're going to ride and be The Ever Other Brothers. We remained so until last week with our last conversation. I will cherish our friendship for the rest of my life and we'll sing and ride together in Heaven. Love you Jay, Diane and family. Ronnie Hughes
