Tribute Wall

“ *The last time I saw my Uncle Gene we picked up where we left off 15 years prior. That was the most special thing about him, he never acted like we hadn't seen one another in years. He was always so interested in my life and my babies. He sure loved my husband, Clay. I will miss him, selfishly. Although I know he, Aunt Margaret and little Gene are with the many babies that have been waiting for them in heaven. Such a beautiful family, completely. I love you Uncle Gene and will always remember how you made me feel. See you soon.*

*Lovingly,
Your niece, Michelle*

“ *I would like to express my thanks to Barbara and all those who helped my Uncle Gene after Aunt Margaret passed away. There is no doubt where Uncle Gene, Aunt Margaret and Little Gene are today with the God they loved, served and shared with everyone. They are with all the family that went before them. I can see Uncle Gene doing a jig with a Hugh smile on his face sharing times that have passed by. He loved to Laugh and tell stories. He loved children, He and Aunt Margaret had a way of making you feel so special. When God gave them Little Gene after years of marriage you knew how truly special they were. They loved him so very much. What a gift he was to them , and them to all of us. I will keep the memories of that beautiful Hugh smile implanted in my mind until I see you all again.*
