“ Michelle and Anika I am so sorry for your loss and I will be praying for comfort in the days to come. Gonna miss Wes around the P.D. Anika, your daddy would want you to go on in sports and do your best because he is watching you from heaven and still cheering just as he always has. He was and still is so proud of you.

“ *The thing I most remember about Wes is the love he had for Michele & Annika. He loved to watch Annika play sports and her dedication in practice and getting better. I know that he wants her to achieve her goals and do her best. He will be proud of her in what ever she decides to do in the future. It is a blessing to know that we as Christians will see him again in heaven in our heavenly body. I am here for you Michele and Annika if you need me for anything. Love you both. Sheila Finley*
